SHOWJUMPING

Falcon Finn McCool is by Wirragula Hamlet who has been very successful at World Cup Level showjumping. He is developing into a talented showjumper. The start of his competition career was interrupted when John broke his shoulder in 2005 but things are back on track and in 2006 Finn has been competing regularly and is rarely out of the placings.

### 2005

[NSW Showjumping Classic. April 28th 2005.](#)

F:

4 Year Old Young Horse Class - 4th

4th

[Sydney Showjumping Club Winter Championships July 31st](#) [Falcon Finn McCool](#) 1st Class 7D

Finn has been to Jump Club and competed in 'Showjumping in the Orchard'. On September 10th/11th he competed at Hay Show. He has gone clear but not placed because of time, but he is gaining in confidence and experience

[Morriset Show - October 29th](#)

Falcon Finn 2nd 1.10 metre

2nd

Falcon Finn competed in three classes over the period of the show. Twice he got to the final and ended in 6th position in one class and 7th position in the other.

**COPABELL CLASSIC - April 21st and 22nd**

Falcon Finn competed in the 1.20m Class on Saturday. Unfortunately he had one rail down and didn't make the final.

During May/June Sydney experienced a period of extreme bad weather. Severe storms and flooding. During this time most of the scheduled competitions were either cancelled or postponed.

**Elysian International Showjumping Classic - July 20th - 29th**

This showjumping competition in Qld was very well supported and most of the classes had between 40-50 entries.

**Bronze Classic 1st Qualifier - 1.15m Falcon Finn McCool 6th place 6th**

**Class 44. 1.2m Open - Falcon Finn McCool 4th place 4th**

**Bronze Last Chance - 1.2m - Falcon Finn McCool 9th place 9th**

On the 25th of August 2007, Equine Influenza was confirmed in NSW and that was the end of all competition in Australia for the remainder of the year. Finn did get EI and now at the start of 2008 there is hope that within a few months EI will be eradicated and a return to competitions, movement of horses and a normal life will be possible
