

FALCON VENUS. by Richmeed Medallion/Falcon Skye (Monokol) December 2003. 16hh dappled brown/black
 Venus is just starting her dressage career— her first competition was at Somersby Equestrian Club Championships (October 2008) the first time she had left the property where she was born. She handled everything well, loaded and travelled no problem and did a very nice first test. We were very pleased with her and feel that she has a promising future ahead. She moves well, tries hard and is a very trainable, attractive and well bred young mare.
